To request the addition of an orthodontist to the Approved Listing:

Please ensure that an orthodontist is on our provider listing prior to receiving any orthodontic care. If you have one in your area that is not on our listing, please submit his/her name along with:

1. Name
2. Credentials
3. Physical and mailing address
4. Telephone #

Orthodontic treatment that began in CONUS and care needs to be continued overseas. If the OCONUS orthodontist plans to continue the original treatment plan, please obtain a signature and statement from the orthodontist on the Non-Availability and Referral Form, attach the original plan of treatment, and forward to TSO for further approval and processing. If OCONUS orthodontist wants to change the treatment plan, follow the instructions for a new treatment plan.

Please contact the TRICARE Support Office at 1-888-777-8343, Option 3, if you have further questions.
